

## ABSTRAK

Penelitian ini bertujuan untuk mengetahui pengaruh independensi, integritas, kompetensi, dan pengalaman kerja terhadap kinerja auditor internal pemerintah. Hipotesis penelitian menguji apakah independensi, integritas, kompetensi, dan pengalaman kerja berpengaruh positif terhadap kinerja auditor internal pemerintah. Populasi penelitian ini adalah Pejabat Fungsional Auditor (PFA) di Badan Pengawasan Keuangan dan Pembangunan Perwakilan Provinsi Jawa Timur. Sampel penelitian dipilih dengan menggunakan *purposive sampling*. Data penelitian dikumpulkan dengan metode survei berupa kuesioner dan dianalisis dengan regresi linier berganda.

Hasil pengujian hipotesis menunjukkan bahwa independensi, integritas, kompetensi, dan pengalaman kerja berpengaruh positif terhadap kinerja auditor internal pemerintah. Hal tersebut menunjukkan bahwa semakin baik independensi, integritas, kompetensi, dan pengalaman kerja yang dimiliki auditor internal pemerintah maka akan semakin baik pula kinerja auditor internal pemerintah.

Kata kunci: Independensi, Integritas, Kompetensi, Pengalaman Kerja, Kinerja Auditor Internal Pemerintah

**ABSTRACT**

*The purpose of this research is to examine the influence of independence, integrity, competence, and job experience to the performance of the government's internal auditor.
